- *Busayo Olabanji Corporate Affairs Manager*

"Our business transforms lives. Challenge is to remain hopeful as we pursue growth. Hope is not blind optimism though. It is ignoring the enormity of the task ahead. It is not sitting on the side line avoiding a fight. Hope is that thing inside of us that insists, despite all evidence to the contrary, that something better awaits us if we have the courage to reach for it and work for it, and to fight for it. What kind of company do we want to build? One that pays us a salary or one that pays us gratuities and take care of us when we can no longer work?. The latter is our obvious choice"

- *Olusoji Oyawoye MD/CEO RIL at 2010 Strategy Session.*
